

EMPOWERMENT EQUALIZER WORKOUT

1
EQUALIZER AND STABILITY BALL SKULL CRUSHER

2
EQUALIZER AND BOSU PUSH-UP

1 Balancing your knees on a stability ball, hold on to the equalizer and keep your elbows pointing forwards. Hinge at the elbows and bring your body down in a straight line. Perform six repetitions for four sets.

2 Start in push-up position with your feet on the BOSU. Complete a push-up, and then jump into the equalizer. Perform twelve repetitions for four sets.

3
EQUALIZER PISTON SQUAT

4
EQUALIZER AND STABILITY BALL SPIDERMAN PLANK

3 Standing on a single leg, balance an equalizer on your other foot, and hold the leg out. Keeping your leg straight, proceed into a deep squat, and then come up. Perform six repetitions for four sets.

4 With your elbows on a Stability Ball place your feet onto the Equalizer and hold position. Bring your right knee to your right elbow and then alternate. Alternate sixteen repetitions for four sets.
